Hi, my name is Chetna and I'm an upcoming new artist from the USA who loves to sing and write music. The catchy melody and upbeat tempo of this song will get you in the holiday spirit.

I've been writing music since I was 11 and have loved it every step of the way. I've been lucky enough to perform my songs for my friends and family, but I hope to sing for millions of people who love my work just as much. My inspirations came from some of my favorite artists like Ariana Grande, Khalid, Rihanna, Doja Cat, and many more! My favorite memories with music have been the ones in the studio recording songs for my album and experimenting with my voice and coming up with cool harmonies. I love to be creative and different and do something unique to stand out in the music industry.

My main goal with my music is to make people feel good and have a good time and I hope I can continue this journey to inspire and bring positive energy to others!

I founded a non-profit charitable organization 'Shape A Life' in 2019 to help people without homes and senior citizens. I also love traveling. I have visited 40 countries.

This song was inspired by all the Christmas music we hear during the holiday season. Wanting to be a part of that, I decided to write this Christmas song about the feeling of getting away and desperately wanting to go on a trip during this time of the year. Being tired of staying home and watching Santa arrive from our windows really inspired this song because seeing all the lights and magic makes you want to get out of your house and see the lights and festivities in person all around the world.
